Learning to Live One Day at a Time

The Message of the AL-ANON Family Groups is one of hope. It is the story of men and women who once felt helpless, lost and lonely because of the alcoholism of a loved one. Today, these men and women have courage and confidence. They have learned about the simple things they can do to help themselves and which indirectly can help their alcoholic relatives, whether sober or not.

Teenage groups, known as ALATEEN, are a vital part of the AL-ANON Family Groups. Young people seeking help with problems that arise when alcoholism affects a parent or other close relative or friend, meet to exchange experiences and to gain an understanding of the alcoholic. This helps them to keep their own lives and personal development from being affected too deeply by close association with an alcoholic.

Aprendiendo a vivir un dia a la vez

El mensaje de los grupos de Familia AL-ANON es un mensaje de esperanza. Es la historia de hombres y mujeres que alguna vez se sintieron sin ninguna esperanza, perdidos y solos debido al alcoholismo de un ser querido. Hoy, esos hombres y mujeres tienen valor y confianza. Ellos han aprendido las cosas sencillas que pueden hacer para ayudarse a si mismos e indirectamente ayudar a su familiar alcohólico, ya sea que el o ella haya dejado de beber o continúe bebiendo.

Los grupos de adolescents, conocidos como ALATEEN, son una parte vital de los Grupos de Familia AL-ANON. Son jóvenes que buscan ayuda para aprender a lidiar con los problemas que resultan, cuando alguno de los padres, algún otro familiar o amigo padece de alcoholismo, se reúnen para compartir experiencias y para lograr entender al alcohólico. Asistir a las reuniones de los Grupos ALATEEN, les ayuda a que sus vidas y su desarrollo personal, no se vean afectados en forma demasiado profunda por la convivencia tan cercana con el alcohólico.
